## YANKEE MISSION SCHOOLS SEIZED

GREEK AUTHORITIES AT KORITZA IN ALBANIA ARREST AMERICANS.

## PROTEST BY BRITISH

British Consul at Vigorous Protest in Albanian Affairs—Affair Indicates Plan to Take Albania.

Vienna, Sept. 22.—The Greek authorities at Koritza in Albania, today seized the American mission schools there.

The Greeks also arrested many Albanians, who have recently returned from America, releasing them only when the Albanians agreed to join in the agitation to have Albania incorporated in Greece.

The British consul at Monastir protested vigorously on behalf of the Americans.

This affair and the incident of last week, when the Greeks beat a housekeeper of an American school when she refused to turn over the keys, forms part of the Greek terrorization of the Albanian population with the object of compelling them to agree to the incorporation of all of Albania in Greece.

## INTEREST IN BULGIN MEETING

SEVERAL CITIZENS WHO HAVE HEARD HIM EXPRESS VIEWS AS TO HIS ABILITY.

As the time approaches for the Bulgin meetings to begin, the interest grows and considerable comment on the preacher and his methods are heard upon the streets. There are a number of people in the city who have had the privilege of hearing him and attending the Bulgin-Rose meetings in other cities. They are loud in their praises of the evangelist and the permanency of his results.

Mr. H. A. Cherry of Lawton, who was here yesterday, says, "Dr. Bulgin held a meeting for four weeks during the month of July, and while there were many conversions and additions to the churches, the most permanent effect of the meeting was the great moral uplift of the whole city. Dr. Bulgin has the ear of the educated and thinking people of Lawton, and those in Ardmore who are inclined to be skeptical and doubt the truth of Christianity, should hear him by all means."

D. G. Whidden with the Hamilton Shoe Co., formerly of Little Rock, Arkansas, says: "It was my privilege to be in a three weeks' meeting led by the great evangelist at Little Rock some time ago, and I believe there will be a large number of conversions and lasting good done in Ardmore when he arrives. He is certainly explicit and does not fear to say what he thinks. He will go to the bottom of wickedness in the city if any exists and I feel that he will do a great work here. I cannot speak too highly of the work of Dr. Bulgin. He is the man Ardmore needs to touch the unconverted and arouse the church members."

Mrs. Lillian Douglass at the Hardy Sanitarium, formerly of Bartlesville, says: "I attended every service of Rev. Bulgin three weeks' meeting at Bartlesville and it was a great blessing to the town. His workers' class is the best I ever saw. A young man of that city who is a great musician, sang throughout the services and said that Rev. Bulgin was the best choir-master he ever saw." Two of the pastors of the city, Revs. Gray and Lewis, have been with Dr. Bulgin in meetings, and both are enthusiastic about his preaching. Rev. Lewis states that Dr. Bulgin's question box

WAS MATRIMONIAL FAIR, ALSO.

Four Indian Couples Joined for "Better or Worse" at Weatherford.

Weatherford, Okla., Sept. 21.—The Indian fair held here last week was not without its interesting features, outside of the regular scenes expected on occasions of the kind. Four Indian couples decided the time had come when mating should take place and thought the fair was as good a time and place as could be found. Four couples lined themselves up before the minister and the white man's marriage ceremony was performed. They were: Van Horn Flying Man and Mary Hadley; Dave Williams and Clara Wild; Clarence Tall Bull and Viola Washlee; Dan Tall Sun and Emma Otterly.

## COURT DISMISSED CITIZENS CASE

ATTORNEY FOR CITIZENS SUCCEEDS IN HAVING THE CASE THROWN OUT OF COURT.

The condemnation proceedings instituted by the Oklahoma, New Mexico and Pacific Railway against certain property on L street, northwest, were dismissed by the court, and it is understood that Attorney Henry E. Asp, who is in the city and is employed as an attorney by the railroad company, will institute new proceedings against this property at once.

One of the property owners stated yesterday that he believed the case would be amicably settled, but if it could not be the property owners were prepared to fight for their rights.

R. T. Bland, an old newspaper man, and who holds the situation now as machinist operator on the Hugo Hudsonian was here on a brief visit Saturday night. He spent a portion of his time here with his old friend Jno. W. Teer, and the two were late visitors to the Ardmore Saturday night. Mr. Bland says every time he meets an East Texan, he meets an earnest supporter of Sidney Suggs for the United States senate.

is the finest plan he ever saw in a meeting. Anyone who has a question to ask the evangelist, puts it in a box to be taken out and answered in the meetings by the preacher. Rev. Masters of the Broadway Baptist church says he has heard Dr. Bulgin three times and regards him as one of the strongest preachers among the evangelists he knows.
